MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : FE Division Survey

1. On 19 August I was informed that the Inspector General's Survey of the FE Division had not yet been received by Chief, FE. I found that two copies of the survey had been forwarded to O/DDP on 6 July 1958 through COMINT courier channels. This was required because the report carried a COMINT classification. I further found that both copies of the survey had been inadvertently filed in the Division D COMINT center and had not been delivered to the addressees. Since some of the knowledgeable persons are on leave, I have been unable to develop all of the facts surrounding the mishandling of these reports.

2. Chief, I&R Staff, as coordinator of the response to the survey, has requested an extension of time beyond the 15 September deadline set forth in the letter of transmittal. I have concurred in this request subject to your approval. There are 237 recommendations to be considered, and I believe it would be appropriate to set 30 October 1958 as a new deadline date.

25X1A

(Acting) Inspector General

APPROVED:

25X1A

Deputy Director of Central Intelligence
